

GOVERNMENT EMPLOYEES HEALTH ASSOCIATION

Work Papers for Accounting Statement
July 1, 1960 to January 1, 1961

Claims Reserve for Unreported and Continuing Disabilities

Claims run-out experience on previous contract

Claims paid 8-1-56 to 2-1-57	
and incurred during that same period	\$121,382.19
Claims incurred 8-1-56 to 2-1-57	210,798.19
Incurred as percentage of incurred	181.90%

Reserves are therefore 82% of paid claims for first six months of the contract.

Expense, Risk Charge and Underwriting

The underwriter's expense charges at this time have been produced through the application of over-all expense factors as used in the Association's retention formula. The initial projections of these charges were reviewed with the United States Civil Service Commission through Mr. Irving Kator. Based upon the actual enrollment and coverages, the charges developed by this formula for the period are less than the maximum amount agreed upon with the Commission.
